

# WANTED

The  
Upper Monroe Neighborhood  
Association

## Needs New Members

Summer is over and the leaves are falling; now is the time when summer projects are coming to an end. UMNA's active efforts this past spring and summer include the ongoing Charette implementation work, completing the Belmont Garden Project, supporting neighborhood gardens, and grant applications. With your help, though, together we can do even more to make this an even better neighborhood for all.

Our Upper Monroe neighborhood needs help from you to keep going in the right direction. Putting aside an hour or so *a month* makes a world of difference to what can be achieved. To become a member of UMNA, simply complete the form on the back of this insert or contact either Joshua Bauroth or Charlotte Baltus. But if this is not possible, come to our next meeting at The Corner Place (the 1<sup>st</sup> Wed. of each month) and see how easy it is to help our neighborhood get even better!
